

## UNION LOCAL SCHOOL DISTRICT

THE POWER OF

UL

JETS THINK...JETS CARE...JETS AIM High

Union Local would like to continue supporting our students and families while the school campus is closed. If you need support with providing your children with daily meals, please call or email Ben Porter and leave your name, phone number and address. My email address is [bporter@ulschools.com](mailto:bporter@ulschools.com) and my office number is 740-782-1978 Ext. 2501. I will be checking calls and emails daily. Union Local will get back to you as soon as possible to make arrangements for you to get the food to make your meals. Families who have been receiving backpacks will continue to receive those backpacks.

In addition to the support of providing food for meals and continuing with the backpack program, Real Life Church and the Belmont/Bethesda ministerial association will be delivering daily hot lunches for those in need. To sign up for these hot lunches, please call 740-310-4991.

Also, the Flushing Ministry Food Bank is available to provide support. Please call the Alliance Church at 740-968-3911 or 740-338-9434.

Finally, parents, please make sure that your child knows how to access his/her curriculum. Students will need to be able to access their school provided email, especially at the middle and high school level. Again, Union Local Teachers will be maintaining daily communication with parents and students. If you have any question regarding your child's assignments, please reach out to your child's teachers either through the teachers' school email addresses or a communication app that your child's teacher may use such as dojo or remind.

Union Local Buildings will be closed from March 16 through April 5.
