

January 22, 2021

Dear Four County Career Center Community:

Four County was notified by the local health departments of confirmed cases of COVID-19 in students that attend Four County Career Center or a Four County Career Center program. We are working closely with the health department and anyone identified as a close contact will be notified by the health department as a part of the COVID-19 investigation.

Please note that these notification letters do not indicate that the COVID was contracted at school. Per the orders of the Ohio Health Director and Governor DeWine, we are simply the communication tool being used. We are continuing to take every feasible precaution for the safety and health of our students and staff.

If you have any questions, please contact Four County Career Center at 419-267-3331 or your local health department. Thank you for helping to keep people safe and to slow the spread of COVID-19 in our community and school.

For answers to your COVID-19 questions, call 1-833-4-ASK-ODH (1-833-427-5634) or visit coronavirus.ohio.gov.

Sincerely,

A handwritten signature in blue ink that reads "Tim Meister".

Tim Meister

Superintendent
