

Device Check-Out Liability Agreement

In an effort to ensure that all students have the resources needed to achieve the educational objectives outlined by i3 Academy, students will have the opportunity to check out an assigned school-assigned device for educational enrichment at home. This agreement applies to all technology resources used in accordance with the [Student Technology Use Agreement](#). As a student, you are fully responsible for the school-owned device during your check-out period. Prior to checking out of any school-owned device, you must complete the Device Check-Out Liability Agreement, and be approved by the school’s Technology Coordinator before leaving the school’s premises. Both student and parent(s) must agree to the following statements regarding the use of school-owned devices during the duration of my check out period, but understand that this list may not be a complete list of student expectations.

Statement of Expectations

- I **will not** leave the device unattended to prevent theft or damage of the device.
- I **will not** attempt to repair or replace the device if damaged, but will report any lost or damage to the device immediately to the school’s Technology Coordinator.
- I **will not** loan out my school owned device to anyone.
- I **will not** attempt to resale (i.e. “pawn”) school-owned property for personal profit or gain.
- I **will not** try to get around any security measures or filters.
- I **will not** alter (i.e. “jailbreak”) system configurations by installing or deleting applications and/or software.
- I **will not** vandalize my device by adding stickers or any markings directly onto my device.
- I **will not** attempt to access inappropriate materials online.
- I **will not** send or post inappropriate or threatening messages/material.
- I **will** ensure the safety of the device assigned and prevent negligent damage to the device.
- I **will** use my school owned device only for the purposes of non-commercial use in accordance with the Student Technology Use Agreement, as well as local, state, and federal law.
- I **will** return my school-owned device and all its assigned accessories in the same working condition in which it was loaned, in accordance to the procedures outlined by the school.
- **If the device and/or accessories are not returned, or returned in unreasonable condition, I understand that I will be held financially responsible for those items.**

I understand that the contents of any device owned by i3 Academy is not private, and will be monitored in accordance with the Children’s Internet Protection Act (CIPA) to prevent inappropriate use. *I further understand that if I violate any of the above policies it is an offense under the Disciplinary Policy and can have disciplinary consequences including, but not limited to, replacement of device(s), termination of access, and legal action when applicable.*
