

STUDENT TECHNOLOGY USE AGREEMENT AND PRACTICES

As a student at i3 Academy, I understand that using technology is a privilege not a right. To benefit from this privilege, I agree to use any technology resource to achieve the educational objectives outlined by i3 Academy. I understand that i3 Academy expects all students to exercise digital responsibility by practicing ethical behaviors while using technology resources. I understand that the administration has the authority to determine if I have used technology in an unauthorized or inappropriate way. I agree to the following statements but understand that the list below is not a complete list of possible violations.

Statements of Expectation

- I will only log into my own account. I will not allow anyone else to log in as me, create a dishonest account, or one that misrepresents who I am.
- I will not try to get around any security measures in place on the device or the school's network.
- I will not change any system configurations – even if I am correcting a change someone else made. If I notice something wrong or have a problem, I will let a teacher know.
- I will not damage the property of others. I understand that this can include installing applications and/or software, removing applications and/or software, and changing or deleting the work of others.
- I will not send or post anything inappropriate or threatening online. I will tell an adult if I receive or see anything inappropriate or threatening.
- I will only use my personal device when it is authorized by a teacher or meets the conditions outlined in the Student/Parent Handbook.
- I will be digitally responsible and will maintain my personal device under the permissions outlined by the school.
- I will not record, photograph or video anyone without their knowledge and permission.
- I will not plagiarize or represent other people's work as my own. If I receive help from another source or person, I will cite them in my work.
- I will only use technology resources for activities such as schoolwork and/or homework with permission from my teacher or the adult in charge.
- I will only use the school's network, wifi, and/or the internet with adult supervision.
- I will only use software or websites I have permission to use.
- I will be careful when I use the internet or printing supplies (for example, not streaming video and music files or printing carelessly or more than is necessary for my assignments).
- I will not display, download or share messages, pictures or videos that are considered offensive (for example, content, images, and/or videos that I would not want to show to my parents or teachers).
- I will use school-owned devices, both on and off campus, in a responsible manner.
- I will return a school-owned device in the same condition as issued and will return it in a timely manner in accordance with the procedures outlined by the school.

i3 Academy
Student Technology Use Agreement and Practices

I understand that the contents of an electronic device owned by i3 Academy is not private and that any device I bring from home can be inspected. I further understand that if I violate any of the above policies it is an offense under the Disciplinary Policy and can have disciplinary consequences including, but not limited to, termination of access and legal action when applicable.

By signing this document, I acknowledge that I have read this policy with my parent(s), understand, and agree to all terms outlined above in The Technology Use Agreement and promise to practice digital citizenship.
