# **The SOUNDS of SILENCE**

## **Listening Activity**

Find a place to sit, either indoors or outdoors. Be still and silent for 10 minutes. You can use a clock, watch, or timer to keep track of the time. During the 10 minutes, make a list of all the sounds you hear around you on a separate piece of paper. Then, sort your sounds into the groups below. Some sounds may belong to more than one group. If you need to, create even more groups to help you sort your sounds.

**LOUD SOUNDS**

**FAST SOUNDS**

**HIGH SOUNDS**

**SOFT SOUNDS**

**SLOW SOUNDS**

**LOW SOUNDS**

**NATURE SOUNDS**

**HUMAN SOUNDS**

**STEADY SOUNDS**
