

# MY MUSIC JOURNAL

## WEEK 9 (May 11 – May 15)

*Can you believe that this school year is almost over? Me either!*

*For our last music journal, **tell me about your favorite memory from music class this year.** It could be a special game or song, an instrument you got to play in class, something you enjoyed learning about, or anything else. My favorite memory was getting to know all of my students and making music with you all every day! **Draw a picture of your memory and write about it.***

**Draw a picture and write your answer below.**
