

Weeks 4 and 5

I have been posting online learning assignments on Google Classroom each Monday. There is nothing to print off. Students can ask me and each other questions about their work within Google Classroom. Links for weekly Zoom meetings will also be posted in Google Classroom each week. If you prefer weekly assignments and information to be emailed to you, please send me an email to begin: michelle.griffith@loganelmschools.com

If you still need help joining the Language Arts Google Classroom, please email me and I can help.

Students can get to Google Classroom and the other learning websites we use at school from my Tizmos Website: <https://www.tizmos.com/mrs.griffith>.

Thanks for all you're doing to keep the learning going at home!

I miss you fourth graders and hope to see you soon!
