

April 3, 2020

Dear 3rd Graders,

We miss you so much!!! We hope you are enjoying family time and growing as a learner in different ways. Be respectful to your parents and caregivers because they are all trying to be successful and learning just like you are.

For reading and math we have created activities to do daily at home. The activities can be done in any order and at any time of the day. We added a helper for some reading activities in case you forgot any of the concepts we learned this school year. **When completing the activities, please complete them in your journal and label each activity.** If you have questions please ask! Also, please think about finding a good fit chapter book for you and stick with it!

For all the work you have done so far, please continue to keep it at home and store it in the folder we gave you. If you would like to continue to work and Lexia and iXL you may do so. Just spend about 15-20 minutes a day using each program, just like we would do in class. Again, we miss you so much and hope you are doing well! Please make sure to get outside when you are able to and get some exercise, it is important to your health.

Our Remind challenges will typically cover science and social studies topics. We will usually ask them to do something creative to incorporate art into their lessons as well. Please keep up with these challenges and do your best to complete 3 out of 5 for the entire week.

ZOOM meetings will be held every Monday and Thursday, and we would like for you to attend on both days. We will have one session at 11 AM and one at 7 PM to accommodate parents working schedules. We ask that they only attend one session each day and not both! It is important for them to see their peers! We will send information through Remind on what the ZOOM meeting will be about and what topic will be covered. If your child needs help on a topic, please let us know and we can set up a personal ZOOM session with your child to help them! We will have two optional meeting days, Tuesday and Friday at 11 AM ONLY. These days will be to finish up our read aloud of Mollie's Story. Your child will only be listening to their teachers reading. There may be a small session after the reading to discuss that day's read aloud.

Please email us if you have any questions, [jennifer.rittinger@loganelm.org](mailto:jennifer.rittinger@loganelm.org) [lyndi.ross@loganelm.org](mailto:lyndi.ross@loganelm.org) or continue to use Remind. Thank you so much for all of your help and support. Any feedback from you is also helpful in creating future assignments and keeping up to date with new trends. Just to make note, we are keeping track of data on our end. When you complete Lexia and IXL, or when you send us pictures and participate through Remind. Participation is the key to success for us all!

Your 3rd grade teachers,  
Ms. Rittinger and Mrs. Ross

## WEEK 4 (April 6th-April 10th) ACTIVITIES

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p><b><u>Reading</u></b> Please read for a minimum of 20-30 minutes. Document your time and what you read in your journal. Please complete 3 out of the 5 challenges.</p> <p>ZOOM meeting, reading of Mollie's Story, this is an optional meeting.</p>

## Reading Assignment HELPERS

### Get Creative

Noun - a person, place or thing.

Proper Noun - the specific name of a person, place or thing.

Verb - a word used to describe an action

Draw and label your pictures for Get Creative.

### Acrostic Poem Example

Sunrises and sunsets

Purple flowers everywhere

Red roses bloom to fill the room

Inside, windows open

Nice and fresh is the air

Great big rainbows too!

### Compare and Contrast

Use a Venn Diagram to complete this activity. Then write 1-2 paragraphs.

### How To

How to play Sorry.

1. Begin by getting out the board and deciding what color each person wants to be. Place the pawns in the starting position.
2. Shuffle the cards and place them in the center of the board.
3. (I bet you can figure out the rest!) Use as many steps as you need to explain the game and how to win.

### Read

Here is an example of a reading chart you can create in your journal.

Book	Time and Date	Parent Signature
