

## **2<sup>nd</sup> Grade Student Supply List 2020-2021**

As we prepare to be flexible this school year, the 2nd grade teachers will supply a starter kit of school supplies for each student. We are trying to limit student contact with items as much as possible. The students will be keeping individual supplies in their own desks or seat sacks and space is quite limited! The following are materials that will be kept in a supply closet and distributed to each student as the need arises. Please note that your child may *not* get the exact box of crayons, etc... that you send to school so please nothing fancy! Go basic!! Please do not send in extra items as our storage is very limited.

### **For Home Use:**

In the event we must participate in distance learning, each child will need a home supply kit that contains:

**Pencils**  
**crayons**  
**scissors**  
**glue or glue sticks**

### **For school use:**

Mechanical Pencils (Trying to avoid everyone using the pencil sharpener!)

4 (or more) glue sticks

1 pack of markers

1 box of crayons (Pack of 24 please)

1 pack dry erase markers (black is easiest and off brand is fine!!)

1 Yellow highlighter

Earbuds for your child's personal use. (Kids like the headphones better but storage might be an issue!)

1 box of tissues

Disinfecting Wipes (If you can find them!)

**Optional Supplies:**  
**Hand Sanitizer**  
**Filler Paper**  
**Construction Paper**
