

Art Class Assignment

Have you ever thought “Our playground is boring, I wish it...”?

I would like for you to draw, paint, sculpt, create your idea for a fun playground.

You can look for ideas on the internet.

You can DREAM BIG!

Upload your creation to Artsonia in the “Playground” folder. Make sure you tell us a little bit about your design in your artist statement.

If you can’t upload it to Artsonia, just email a photo of your artwork and type your artist statement. rob.griffith@loganelm.org

The class that has the most participation will be visited by me in your zoom meeting. I will select one of the artists in a live drawing to win a prize!

I really miss seeing how creative you can be!
