

## High School STEM+Arts Institute Classes Spring 2022

- **Music Appreciation and Theory (CLASS is FULL)** – taught by Jimmy Stadler– **Monday 12:30-4:00**. Students will learn about scales, keys, types of chords, music theory, etc. This class will focus on the progression of music and influences on culture. We will also focus on proper techniques. Students must choose an instrument. Please ask about the instrument loaner program.
- **Music Appreciation and Theory** – taught by Jimmy Stadler– **Tuesdays and Thursdays 2:45-4:15**. Students will learn about scales, keys, types of chords, music theory, etc. This class will focus on the progression of music and influences on culture. We will also focus on proper techniques. Students must choose an instrument. Please ask about the instrument loaner program.
- **Introduction to Video Production**-taught by Skip Belyea **Monday and Wednesday 12:30-2:15**. -Students learn basic film production skills - storyboarding, lighting, camera angles, and basic editing. This is a practical, hands-on approach to television and film production. Students will not only be instructed in how to operate equipment, camera, audio, lighting, but how to combine all these elements to create a completed project.
- **STEM Research and Development** - taught by Laura Tenorio - **Wednesdays 12:30-4:00**. Can a drinking straw save the world? Learn skills and ways to apply Science, Technology, Engineering and Math (STEM) to real-life situations. Make your own solutions to community problems, and learn about STEM careers using drones, straws, and anything we can get our hands on to make STEM come alive! This class provides the opportunity for project competition.

**High School Spring Semester STEM + Art Institute:** STEM offerings will be available for registration beginning Monday, January 17, 2022. All classes are 0.5 elective credit and grades are posted on transcripts. All classes follow Taos Academy policies. Last Day to drop a class is February 3rd, 2022 and must be done in writing to Ms. Jamie Lucero-Martinez -no exceptions. [jlucero-martinez@taosacademy.org](mailto:jlucero-martinez@taosacademy.org) **Please register in the STEM Office with Cruz Duran, [cduran@taosacademy.org](mailto:cduran@taosacademy.org) . Materials fees will be \$20 for all courses.** This will assist in covering some materials cost for classes or help repair borrowed equipment. **\*If a course is dropped by the student a fee credit will be given towards another course. No Refunds.\***

\*STEM Instructors may drop students for low participation with two written notices to parents/students. No instructor initiated student drops will be made after February 14th, 2022. **No fee credit toward future courses.**

January 25 - May 6, 2022
