

October 31, 2021

Dear members of the Pike-Delta-York Local School District:

On October 16, I emailed district parents providing information regarding a Village of Delta agenda item on the council's meeting agenda. Listed on that agenda was the following for council to approve:

Ordinance 21-14 First Reading with Emergency Provision

AN ORDINANCE ALLOWING FOR THE ISSUANCE OF PERMITS, LICENSES AND APPROVAL FOR MARIJUANA CULTIVATION, PROCESSING AND/OR SALE OR SIMILAR BUSINESS WITHIN THE VILLAGE OF DELTA AND DECLARING AN EMERGENCY

As a reminder, this topic is scheduled to again be on the Village Council's agenda for tomorrow evening's meeting. I encourage you to attend the meeting to share your opinion on the topic as their decision will impact our children and community. The meeting will take place tomorrow, Monday, November 1 at 5:30 pm.

I am also happy to share that last week the Pike-Delta-York Local School District and our students participated in the yearly activity of *Red Ribbon Week* celebrated nationally at the end of each October to encourage our children to make positive, good choices.

Sincerely,

Ted Haselman, Ed. D.
Superintendent
