

March 18, 2020

Dear Pike-Delta-York Local School District Families:

One of Pike-Delta-York Local School District's highest priorities during the distance learning home-based instruction period is to ensure students receive nutritious meals. This is fundamental to supporting the whole child. The District's Food Service and Transportation Departments have been planning and working diligently to provide these meals.

Beginning Monday, March 23, 2020, the District will be providing cold food options, commonly known to our students as "Grab-and-Go Sack Meals," for both breakfast and lunch at multiple locations around the district for PDY students. These meals will be provided Monday through Friday during the distance learning home-based instruction period.

Pick up/drop off locations for both breakfast and lunch include the following stops: Delta Park Pavilion (on Taylor Street), Camelot South, Forrest Mobile Home Park, Oakview Apartments, Hidden Lake, 7053 County Road 5-2, 450 West Main Street, and the in-town bus stops located at Maplewood and Van Buren, Maplewood and McKinley, Monroe Street, and the Delta Church of Christ. Meals will be delivered using the district's bus fleet.

Pick up at the Delta Park Pavilion will be available between 8:00-9:00 am for breakfast and 11:00-12:00 noon for lunch. PDY buses will visit each drop off location for approximately 20 minutes during these time frames. Buses will visit the in-town stops first before visiting the out-of-town locations. Please be watching for the PDY bus during these time frames.

The district understands the importance of these meals and will continue to do our best to serve the students of the Pike-Delta-York Local School District during this unique time.

Should you have questions, please contact my office.

Sincerely,

Ted Haselman, Ed. D.
Superintendent
