

Delta Community COVID-19 Vaccine Clinic

The Fulton County Health Department and Health Center are providing a Delta Community COVID-19 Vaccine Clinic on Monday, April 26, 2021 at Delta High School in the Common Area from 3:15pm – 6:00pm. **Park in the front parking lot and enter the building's main entrance (large set of glass doors).**

Anyone 16+ years of age or older can receive the vaccine

When scheduling the appointment for a minor, the parent/guardian will create an account. However, if the parent/guardian already has an established account with Armorvax they can select "ADD FAMILY MEMBER" to schedule the minor's appointment. The parent/guardian must provide consent for students 16-17 in order to receive the vaccine. If the parent is unable to attend, consent can be provided on the "Fulton County Health Department COVID-19 Consent Form". The minor will need to provide the completed form at their appointment.

To schedule your 1st Dose appointment for anyone 16 yrs. or age or older click the link below:

📍 Monday, April 26th from 3:15pm-6pm <https://armorvax-app.azurewebsites.net/Account/Login>

If you have any questions, contact the Fulton County Health Department at 419-337-0915.
