

Private School Transportation:

*** When Nordonía is not in session, shuttles will be provided for the below private schools to & from NHS ***

Students will need to find their own transportation to and from Nordonía High School and home

Only students who reside within the Nordonía School District are permitted to ride Nordonía Buses

*If Nordonía School District has a snow/weather day, district buses *WILL NOT* transport ANY students*

Please follow the drop off procedure that NHS has established to keep all students as safe as possible.

All students are to be dropped off at the South Side Cross Walk of NHS. Please enter the North Driveway, pull around the rear of NHS and follow towards the exit. Please unload your students at or near the crosswalk on the South Side Driveway in the left lane, closest to the front sidewalk. Do NOT pull alongside of, in front of or behind the shuttle buses to drop off students. Do NOT allow students to cross from the parking area in front of Nordonía High School.

Transfer routes depart NHS at 7:15am. Buses will only be held past 7:15am by the GM if there are transfer students on a regular route that is running late to NHS. Students missing the transfer buses for any other reason will be responsible for finding other transportation to their school. Once departed, buses will not be sent back to NHS.
