Help Pay for College Through Sonrise

Concerned about college debt yet want to go to college? Sonrise will provide you with a \$1000.00 scholarship per year at Sinclair Community College AND employment in a skilled trade while going to school. You could graduate from Sinclair with money in the bank! If you choose to continue your education at Wright State after Sinclair, we'll still work with you! We provide strong hourly wages, additional commission pay after 90 days, a semi-flexible work schedule, the opportunity to learn a skilled trade, paid time off and more. We are a professional window cleaning (no high rise) / power washing / carpet cleaning company in Springboro who need honest, friendly, ambitious people who want to keep their college debt down or avoid it as they work their way through college. Both full time, part time, and seasonal jobs available. I've had many young people work for me as they have gone to college locally.

You could be next! Apply here:
