- \$14/hr (no experience)
- Flexible schedule
- Growth within the company

I am need of shift leaders as well, but the person would need KFC experience. The store opens at 8:30am and the doors are locked around 10:00pm. I am willing to be flexible with anyone's schedule. Call or text and I will try to interview you that day, if not the very next day. Thank you and I hope to hear from you!
