

Oak Grove Elementary School - (970)249-6867 – Montrose, Colorado

Dear Oak Grove Families,

Our process for compiling class lists includes **multiple** factors. Teachers compile class lists for next year with the goal of creating balanced classes for the best possible outcomes for each student.

Parents are welcome to submit a letter offering input on their child's placement for the following year. **However, please understand that these letters do not guarantee placement.** Letters that are submitted should detail your child's needs and type of learning environment you feel he/she would benefit from the most. Requests based on unique custody or family circumstances will be considered first.

I welcome your input and partnership in your child's education. Please don't hesitate to call or make an appointment if you have any questions.

Thank You,

Dana Carpenter
Principal
