Superintendent's Report: A Safe Return to 5 Day-Week
Board of Education Work Session: March 3, 2021

Safe Return to 5 Days

- Governor DeWine prioritized vaccines for educators to get students back to school five days a week
- Washington Local signed a commitment to return once staff was vaccinated
- Second vaccinations will be administered Friday, March 5 and Saturday, March 6
- About 80% of staff were vaccinated; others may have received vaccinations from other sources (Michigan residents, high-risk health conditions, etc.)

Safe Return to 5 Days: What Hasn't Changed...

- All staff and students are required to wear a mask at all times (school, bus, extracurricular, etc.)
- Handwashing will still be a critical step to prevention
- Exposure will be reduced and limited wherever possible
- Social Distancing will continue to be present, however under the new CDC guidelines of 3 Feet in classroom spaces (exposures lasting longer than 15 minutes)
- Students will wear masks on buses

Safe Return to 5 Days: What Hasn't Changed...

- K-6 Cafeterias will remain closed; JH and HS Lunches will continue to be cohorted and distanced
- Free breakfast and lunch are provided every day to ALL students through the end of this school year
- Extra cleaning precautions will continue
- Hand sanitizer will be readily available and encouraged
- Quarantines when there is a Covid positive exposure of greater than 15 minutes and under six feet (even though 3 feet is the CDC recommendation).

Safe Return to 5 Days: What *HAS* Changed...

- Temperature/Health Checks should take place at home to allow for more efficient entry procedures
- CDC now recommends three feet social distancing in classrooms
- K-6 Art, Music and Physical Education will return to classrooms with careful safety protocols in place
