#### 2. Appropriation Modifications/Amended Appropriations FY 2020

The Treasurer recommends that the Board approve the FY 2020 Amended Appropriation Measure at fund level, which reflects increases and decreases in some funds, as presented.

The General Fund appropriations are \$91.0 million. Total appropriations, all funds, increased from \$120.6 million to \$189.5 million. These appropriations include prior year encumbrances.

The significant increase in total appropriations is mainly attributed to the issuance of Bond Anticipation Notes, two Bond Issuances, the refinancing of Whitmer HVAC debt, and the creation of our Building Fund.

In February 2020, we reduced the General Fund \$993,974 to reflect the movement of counselors, nurses, and a social worker to the Student Wellness & Success Fund. The General Fund appropriations of \$91.0 million reflects that adjustment and June 30, 2020 is unchanged from February 2020.

#### 3. FY 2021 Appropriation Measure

The Treasurer recommends that the Board approve the FY 2021 Appropriation Measure, at fund level, as presented.

The General Fund appropriations are based on the *May 2020 Forecast*. The 2020/2021 appropriations of \$88.3 million are lower than the 2019/2020 appropriations of \$90.2 million. These appropriations exclude prior year purchase orders. The General Fund budget does not usually decrease from the prior year. However, FY 20/21 includes a full year of counselors, nurses, and a social worker being removed from the General Fund and charged to the Student Wellness Fund, staff reductions, a ten percent (10%) healthcare premium reduction, and a five percent (5%) budget reduction on selected purchased services and supplies.

The 2020/2021 total appropriations (all funds) are \$168.7 million, which includes appropriations for Bond Retirement Fund (\$2.7 million), Capital Projects Fund (\$45.8 million). These appropriations also exclude prior year purchase orders.

We have included \$2.7 million in the Permanent Improvement Fund for construction and related projects. These projects currently include district security camera project and stadium track resurfacing. We have also included funding for seven (7) buses as well as two (2) vehicles.
