The Affordable Connectivity Program (ACP) is a Federal Communications Commission program that provides a subsidy on monthly broadband Internet bills for qualifying households. See reverse side for qualifications.

If your household is eligible, you can receive:

- Up to a \$30/month subsidy on your broadband Internet service and associated equipment rentals
- One-time \$100 credit towards a tablet.*

Buckeye Broadband is an approved ACP provider.

For more information, visit BuckeyeBroadband.com/ACPinfo or call **419.724.9800** (Para español, marque el número dos).

*The Affordable Connectivity Program (ACP) is a subsidy that reduces the broadband Internet access service bill. A \$10.01 prepayment is required for an ACP tablet. If you lose access to the benefit, you will be subject to the general rates, terms, and conditions if you continue to subscribe to that broadband Internet service as well as applicable taxes and fees. This offer may expire without notice. MKT220216 Modified 6/10/22
