

A WASHINGTON

WELCOME!

INTRODUCING MR. VILLAR

Interim Principal

Hello Cougar families!

I am thrilled and honored to announce that starting Monday, I will be serving Washington families in the role of Principal! I have been working as the Workforce Developer at Whitmer, placing students in jobs and internships, but also have 14 years of education experience, serving as a Principal, Coach and Teacher. I hold Teaching and Administrative licenses in both Ohio and Texas and live with my wife, Heather, our 3 children and dog, Blitz. For fun, I enjoy music, woodworking and going to sporting events.

I believe in the power of what our students can do when given the right tools to succeed, and I look forward to helping provide those opportunities every day.

Please don't hesitate to reach out with concerns, or just to say hello!

-Mr. Scott Villar (svillarewls4kids.org)

WE ARE

WASHINGTON

Preparing Future Panthers

In collaboration with WJHS Teachers, Staff, Security and Central Office, your Cougars will be noticing some new procedures and practices at Washington Junior High, as these awesome students are only ONE step from high school and we want them to have everything they need to be successful as Panthers in just SIX short months!

Here's what students will notice:

- *larger presence of security and administrative staff to ensure proper rule following
- *increased communications about clear expectations
- *behavioral reminders and lessons in advisory periods
- *changes to high traffic areas to improve efficiency (including hallways and cafeteria)
- *increased PBIS activities and FUN rewards for doing the right thing!

Here's what we need from you, our families:

- *reinforce school expectations at home
- *enforce regular attendance and on-time arrival
- *talk to your Cougar about the future and what they want to do in high school
- *support school restrictions during the school day for phone usage
- *have conversations about proper social media use

Thank you for helping us give our Cougars a fun, successful end to their 8th grade year, and a learning environment that provides a wonderful foundation to springboard them to high school! If you have a question or concern, or we can support you better, please don't hesitate to reach out!

--- Scott Villar, Principal
--- Brian Kaser, Asst. Principal

A VERY IMPORTANT VISIT

for our Junior High students...

March 8th

Dr. Adolph Brown, III

The World's Greatest Edu-tainer™
Spreading Love, Light, & Insight

<https://www.docspeaks.com>

Started from the Bottom... Now Working from
the Bottom to the Top!

**Love
Light &
Insight**

A doctor who prescribes verbal medicine that
everyone should take. It heals our soul.

Co-Host, Parent Expert, & Moderator of
"The Parent Test" on ABC,
Dr. Brown will inspire our students and remind
them that their "decisions have a future."
