- 5. **My child's application was approved last year. Do I need to complete another application?** Yes. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, submit the report with the routine amount of \$1,000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
- 12. What if some household members have no income to report? Household members may not receive some types of income that are asked for you to report on the application or may not receive income at all. When this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those also will be counted as zeroes. Please be careful when leaving income fields blank.
- 13. We are in the military. Do we report our income differently? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it also must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
- 14. What if there is not enough space on the application for my family? List any additional household members on a separate piece of paper and attach it to your application. Contact your school office to receive a second application.
- 15. Why am I being asked to give my consent for an instructional fee waiver? Ohio public schools are required to waive the school instructional fees for children who quality for free meal benefits. School food service personnel must have parent consent to share the student meal application if your child(ren) quality for a fee waiver. If you agree to allow your child(ren)'s meal application to be shared with school officials to see if they qualify for a fee waiver then select yes in part 5. If you do not wish for that information to be shared, then select no in part 5. Answering no to this question will mean your child will not be considered for a fee waiver. Answering this question either way will not change your child(ren)'s free or reduced-price meal eligibility.

The Richard B. Russell National School Lunch Act requires the information on this application. You are not required to provide information, but if information is not provided, the state agency cannot approve your child for free or reduced-price meals. You must include the last four digits of the social security number of the adult household member who signs the application. We will use your information to determine if your child is eligible for free or reduced-price meals, and for administration and enforcement of the lunch and breakfast programs. We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
