### Remote Teaching/Home Learning Extended Through End of 2019-2020 School Year.

On April 20th, Governor DeWine extended Ohio's school building closure, due to the COVID-19 pandemic, through the end of the 2019-2020 school year. While we are disappointed, we understand the need to ensure the health and safety of our students, staff, families, and community members.

Please click [here](#) to read a letter from Mr. Williams, Superintendent, regarding the extension of the closure and how Logan Elm will respond to the events impacted by the closure.

### What does Remote Teaching/Home Learning Look Like for Kindergarten?

Mrs. Jackie Moss, kindergarten teacher at Laurelville Elementary, and her students have come up with unique ways to make sure education is still taking place during the school-building closure! Mrs. Moss stated, "There are always creative ways to get your students involved in learning. I just roll with what I have!"

Nora Black is learning to cook! She is making spaghetti sauce. Cooking helps students practice math skills like following directions and measurement.

Alec Arledge studying science as he learns about growing plants for food. He is planting onions in his garden.

Savannah Cordell keeps her math and fine motor skills up to date by cutting fabric squares to make a quilt. She also uses art concepts to plan her quilt design.

Mrs. Moss' husband found a baby snapping turtle in their yard...so Mrs. Moss created a lesson! She emailed this photo to her students and asked them to research what snapping turtles eat, where they typically live and how big they can grow.

## Logan Elm's Virtual Spirit Week

Logan Elm students, staff and community members participated in Spirit Week from April 20th through April 24th, with each day having a specific theme:

- **Monday, April 20** - What can you teach us in two minutes?
- **Tuesday, April 21** - Read a favorite part of a book or poem to us.
- **Wednesday, April 22** - Celebrate Earth Day's 50th birthday by showing the nature around you or telling how you are taking care of our planet.
- **Thursday, April 23** - Make Mr. Brisker, Mr. Congrove, Mrs. Eveland, & all of our coaches proud by showing how you are staying physically active.
- **Friday, April 24** - Wear your red & white LE gear, & give a shout out to the people you miss seeing.

You can view some of the Spirit Week submission on the district's Twitter account at <https://twitter.com/loganelmschools>. Students and staff may view submissions on our FlipGrid at <https://flipgrid.com/6d87042a> by using their Logan Elm email account to log in.

Here are a few of the Earth Day submissions:

## Thank You!

Thank you for reading the Logan Elm Schools e-Newsletter! We appreciate your interest in the students and activities of all Logan Elm schools!

Our e-newsletter is distributed on the second and fourth Friday of each month.
