

Logan Elm Local School District

9579 Tarlton Road • Telephone (740) 474-7501
CIRCLEVILLE, OHIO 43113-9417

March 24, 2020

I want to thank our staff, parents, and students for their work as we have moved to “home learning” over the past week and a half.

As we begin week two, it would be my hope that students have completed their three blizzard bags and are now working on the educational resources provided by their teachers. I have requested teachers contact their students and I would encourage parents and students to contact teachers with any questions or concerns regarding the assignments. Teachers are working extremely hard to provide assignments as well as on-line learning opportunities for their students.

We are going to continue to provide breakfast and lunch to our students during the stay at home order from the Governor. The next scheduled pick-up is Thursday, March 26, 2020 from 9:30 – 12:00 at Logan Elm High School and Laurelville Elementary. After Thursday, we will move to a weekly pick-up each Monday at the same times and locations.

Over the past ten days, I personally have become very familiar with ZOOM meetings. I have used this platform to collaborate with my colleagues, administrative team and staff members. The on-line meetings has also allowed district personnel to continue to work with Fanning-Howey Architects for the continued planning of our new building. Our goal is to move our project forward! Tomorrow, we will interview three construction companies; these interviews were originally scheduled for March 13, 2020. I appreciate Ohio Facilities Construction Commission and the selected firms for agreeing to the on-line interviews in order to keep the project moving for our community.

As this situation continues to evolve, we will do our best to provide our students with updates regarding all facets of their education. I appreciate many community members and organizations offering to help our students and their families during this difficult time. Logan Elm Community is truly a great place to live and raise a family.

Please feel free to reach out to the district, your administrators or teachers if you need anything and, most importantly, take care of yourselves.

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Williams'.
