Laurelville Halloween Assembly

Although the weather conditions didn't permit an outdoor celebration, the annual Laurelville Elementary Halloween assembly took on Friday, October 29, 2021.

Students paraded around the gym and then enjoyed a concert by the Logan Elm High School band.

After the assembly, students enjoyed classroom celebrations.

Construction Update

Construction of the new PK-12 building is progressing on schedule! The buildings are starting to take shape as construction crews worked to pour slab, lay interior CMU bearing walls, install underground plumbing and electrical, bring parking lots up to subgrade, stone the parking lots and work on wall electrical, plumbing and HVAC rough in.

Below are some photographs of the interior of the PK-5 area.
