Logan Elm High School Alters Student of the Month Recognition

The tradition for many years has been for the high school administrators to escort LEHS's students of the month to the Noon Rotary meeting. Noon Rotary is not currently meeting in person, so the LEHS principal made the decision to have a "Lunch and Learn" with their Students of the Month. The seniors have lunch with the LEHS office staff and they discuss how Logan Elm has impacted them, what they like about LE, what they would like to change about LE, and what their plans are for 5 years down the road. Needless to say, the conversations have been amazing!
