Logan Elm Schools Reopen

On August 20th, Logan Elm Schools reopened for the 2020--2021 school year. In response to the COVID-19 pandemic, we re-opened under Plan B, our "hybrid" plan. Each day, approximately half of our students are at school and the other half are participating in remote learning. This reduces the number of students in our classrooms and on our buses.

Here are a few photos of our first days back in session! We are proud of our students as they have adjusted to the new rules and procedures very well!
