### Friendly Rivalry Leads to Vaccine Challenge...help the Braves beat the Tigers!

Logan Elm Local Schools and Circleville City Schools are teaming up to encourage students, families, and community members to get the COVID-19 vaccine!

COVID-19 vaccinations will be available from Pickaway County Public Health on Friday, September 17th from 3-6:30 p.m. in the Logan Elm High School cafeteria. Getting vaccinated that day earns you free entry to the

Backyard Brawl game that evening at Logan Elm High School! Join us as our Braves face the Tigers at 7:00 PM.

Each school is vested in slowing the spread of the COVID-19 virus through encouraging eligible citizens ages 12 and up to get the vaccination so we can continue our pursuit of an uninterrupted school year.

As an added incentive, the Educational Foundation of the school district with the most vaccines given at the walk-in clinic on September 17th will receive a donation from the other school district's Superintendent!
