Review Technology Needs District Wide

Considerations of Need and Staff SE

Each Central Consolidated School District Area has established a need for hybrid in person instruction by phone surveys conducted at each school.

Most of the need can be served at one school site per area.

Discussion of 3 to 4 sites for focused safety practices.

Judy Nelson and Kirtland Elem.; KECC(request remote instruction - serving small groups); EBS; Nizhoni Elem.; Naschitti Elem.

Principal concerns for travel times - i.e. Ojo(requesting remote only) and Kirtland

Principal Concern - Coming back after having Thanksgiving Break/Isolation break

Maintain other sites for potential re-entry.

Next Steps and Projected Implementation Timelines

Identified schools will begin to "roster" hybrid students for the AA/BB schedule - There will be sanitation on Wednesday between cohorts.

Hybrid instructors/EA's will NOT have additional remote students. (Instructors/EA's will be available remotely/virtually for support during the non onsite school day.)

Students/parents commit to semester of instructional choice. Only "HYBRID" preferred students will be allowed in the buildings for instruction.

Transportation routes will need to be identified to align with school schedules

Next Steps and Projected Implementation Timelines

Identified schools will need to "Verify" readiness by: NMPED Compliance Rubric; Certification in COVID-19 Safe Practices; and Health preparedness - PPE and isolation areas

Identify teachers for each site and grade level

Set up classrooms for MAXIMUM social distancing

Dry Run - 1 Day of transportation and instruction prior to student entry to troubleshoot potential challenges to current plans

Next Steps and Projected Implementation Timelines

Timelines

Rostering of Hybrid Students, setting up classrooms: Monday, 10/26/20

Development of Transportation/Food Service for Hybrid Students: Tuesday, 10/27/20

Dry Run Full Implementation: Thursday, 10/29/20

Debrief Dry Run: Friday, 10/30/20

Actual re-entry of Students: Monday, 11/2/20
