

REGISTRATION FOR RETURNING STUDENTS AT CENTRAL SCHOOLS

Central Consolidated Schools will start registering returning students on Wednesday, August 4, 2021. This year, the process will allow parents/guardians to update their student's information in PowerSchool, a system they are already familiar with. Parents need their PowerSchool username and password to access the portal that will allow them to register their student.

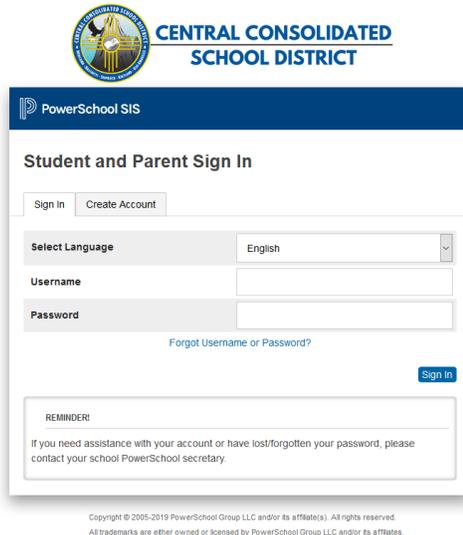

Parents will need:

- An activated PowerSchool account.
- If parents do not have an account or have forgotten their login credentials, they will need to call the school the student attended in his/her last academic year. A list of schools and contact numbers is available in our "schools" section. Parents without access to Internet/technology, please contact your school for assistance.
- Parents, please use either a **Google Chrome** or **Mozilla Firefox** browser for the registration process. Also, remember to update your browsers.

Accessing Ecollect Forms:

Ecollect forms are accessed from a Parent PowerSchool account. No separate login is necessary. Forms are linked to the child's record and can be accessed from the Ecollect "Forms" link in the left-navigation column. You can see all the forms that the school has made available. Please, note that this process cannot be completed in the PowerSchool app. Follow these steps:
