

# TEACHER MENTORS NEEDED

## The Mentor's Role

The overall role of the "Mentor" is to provide regular support, advice, and counsel to the new teacher helping him or her to have a successful experience for their first two years in the school and community.

## If you are...

- passionate about improving instruction for students;
- knowledgeable and supportive of instructional initiatives and programs;
- knowledge of the NMTEACH Domains
- "effective" or higher on NM Teacher evaluation or other state equivalent;
- organized and prepared.

## and if you...

- hold a New Mexico Professional Level II or III Educator License;
- have at least one year experience in the district with knowledge of systems and processes of your school site;
- want to help promote and support your peers;
- want evidence of Domain 4 of NMTEACH;
- seek career advancement and professional fulfillment.

## Mentor's Benefits

Mentors will receive support and professional development including:

- \$1,200 stipend annually
- District recognition and badges
- Professional Development and support with professional goals
