## BOARD OF EDUCATION TO ATTEND NEW MEXICO SCHOOL BOARD ASSOCIATION CONFERENCE

Central Consolidated School District (CCSD) board members are participating in the 2026 Board Member Institute, hosted by the New Mexico School Boards Association (NMSBA), February 5–7 in Santa Fe.

The Board Institute, held during the Annual Legislative Session, provides school board members across the state with the opportunity to advocate for education priorities directly with state legislators. The event features informative general sessions and a variety of workshops focused on school governance and public education topics.

This gathering offers an invaluable platform for our board members to deepen their knowledge of legal issues and collaborate with peers from various regions, ultimately contributing to the success of our district's educational endeavors.
