FOR OUR INDIVIDUALIZED
EDUCATIONAL PLANS (IEP)
WORKSHOP

RSVP information below

YOU REQUESTED AN IEP EVALUATION: WHAT HAPPENS NEXT?

"He struggles to remember what he just read a minute ago..."

"She just shuts down and gives up if it seems too hard to understand..."

"He cannot organize his thoughts or his paperwork..."

"She has trouble making friends and advocating..."

Do these sound familiar? If so, join us for an Individualized Educational Plan (IEP) workshop.

Thursday, November 14th
6 PM-8 PM
Houston Conference Center
3308 Compton Road
Cincinnati, Ohio 45251

Participants in the class will learn all about Individualized Education Plans and will receive step-by-step instructions on how to make evaluation requests, along with information about follow-up steps and what to expect. Each participant will leave with an organizational kit to store two-way communications and receipts and learn about the federal, state and local requirements. This is a perfect opportunity to gather information about the services being offered at Northwest Local Schools.
