CURRENT OFFICE ITEMS

Two board members requested login's to MTSBA. If anyone else needs one as well, let me know. I have to request it from MTSBA, and they send an email to you. I think it expires in 24 hours, so we'll have to coordinate times.

Kary has been doing so well in the office. Last week we both had to fill in for the cook. Nothing seems to faze Kary.

Tidbit:

23/24

General fund budget for activities and athletics was (10.92%) \$293,276.00 Expenses for the same year for those two was (13%) \$346,819.03 The shortfall was \$53,543.03

We even used several thousand dollars from the miscellaneous fund for some of the post season trips.

24/25

General fund budget for activities and athletics is (10.75%) \$301,031.00 It's too early to project how the expenses will go.

We still have some money in the Misc Fund that can be used on postseason trips.

Off-Campus Driving

I have enclosed the off-campus driving policy and form. One recommendation is to remove the language on the form from paragraph 7.

Vehicles on Campus

Vehicles on Campus Students are not permitted to ride in, provide rides, or drive any motor-driven vehicle during the school day except:

- The parent(s)/guardian(s) and/or the Student and/or the driver assume the risk of harm, injury of death
 to the Student or others, and that by voluntarily allowing the Student to operate his/her own vehicle, the

 liability.
- I understand that the Student agrees to drive safely and in accordance with all laws and regulations, on and off the JHS campus.
- I agree that the Student is prohibited from driving other students during the school day from JHS School to school events.

Superintendent's Report

- We had some issues with our Google bus during the trip to Colstrip. It went into limp mode and a check engine light came on. There were also issues with the air system. The bus would not lift from the kneel position and they were high-centered driving away from the motel and into the school. We currently don't have the funds to replace this bus, but I think it needs to be on our radar.
- I want to publicly thank the people of Colstrip for all the help they gave us during our bus woes.
 - Robin Nansel, the principal, helped us get a mechanic to look at the bus on Saturday morning.
 - Terry and Tereasa Taylor of ACE hardware for helping me with gas cans to help the band/cheer bus.
 - Tom Dusold, the athletic director, offered their wash bay to work on our bus and hooking us up with the bus maintenance supervisor.
 - The bus maintenance person, sorry I can't recall his name, but he looked at the bus for us.
 - Bryatt Childers, the mechanic, for coming to the school on a Saturday and looking at our bus. He refused payment, but I insisted.
 - I know there are more, so I'm sorry if I missed anyone.
- Divisional VB tournament went well. The girls played so well. The parents and band were one of the best cheer sections in attendance.
- The driver's seat in the Driver's Education car is broken. Cody Ottman is working on finding a new part with little luck. (Update: he found one in the southeast US. Let's hope it will get it here quickly and efficiently.)

Jefferson High School 2024-2025 Annual Goals and Objectives Review

The implementation of annual objectives will utilize development of Jefferson High School growth plans for the upcoming academic year. The objectives will be used to assess student performance, district decision making, and appropriate resource usage.

Goal 1- Use current assessment models to guide increased student learning.

Objectives

- Update district curriculum to continue to meet state and national standards.
- Evaluate student performance with guidance from current assessment models.
- Use assessment models to monitor student growth and performance.
- Develop teaching models to include collaboration, self-assessment, and goal setting to provide feedback for increasing learning and teaching objectives.
- Develop assessment rubrics to increase problem solving skills and higher order thinking.
- Develop advanced courses to allow increased opportunities for student participation.
- Evaluate student progress annually using measures and standards from current assessment models and curriculum benchmarks.
- JHS students will meet graduation standards and use developed skills for success.

Review: JHS has done an excellent job of assessing students and working collaboratively through the literacy grant. This has allowed the district to identify high risk students so we can put specific efforts toward those students. The PLC groups have worked together to identify those students and give them targeted assistance.

Goal 2- Increase communication and relations to improve student achievement.

Objectives

- Develop and implement a communication plan to increase community relations.
- Provide professional development opportunities for implementing current communication trends.
- Revamp website to provide efficient and applicable data with ease of access.
- Analyze benefits and challenges of digital media and social networking usage.
- Increase reporting of student performance and parental involvement by providing training opportunities on curriculum and assessment.

Review: Community relations will continue to be a goal for the 2024-2025 school year. We have been providing monthly updates to the Boulder Monitor that include school successes and updates to the building project. We have updated our website to make it more accessible and easier to locate information. However, this will be an ongoing project. We will continue to educate parents on the use of Infinite Campus, so they have access to their child's current academic performance.

Goal 3- Promote enhanced teaching and learning opportunities by implementing appropriate professional teaching practices.

Objectives

- Increase efficiency of EPAS teacher evaluation model developed for Montana.
- Increase professional development opportunities for all staff.
- Collaboration between administration and faculty on the impact of EPAS and its effectiveness in providing feedback for teacher growth plans.
- Increase awareness and publicize educational practices demonstrated by administration, faculty, and students.
- Use collected data to provide feedback for continuous planning and setting of annual goals.

Review: Increased professional development has been a focus of this past year by bringing in great guests during early-ins and early outs. They gave us a plethora of tools to help with teacher growth plans. Also, having Eric Gustafson as an educational coach was a great help for growth. Data on students was instrumental in continuous planning.

Goal 4- Foster an academic environment to encourage respect, citizenship, responsibility, and success.

Objectives

- Develop a school plan to create an atmosphere of respect and responsibility within all school settings.
- Survey parents, patrons, students, and staff to provide feedback for establishing a school climate action plan.
- Provide community wide learning sessions to communicate expected school climate and educational goals for each academic level.
- Survey alumni to determine what areas need further development and what skills are needed for post-secondary success.
- Continue to use igraduate program to promote academic completion and provide tools to reach this goal.
- Pilot a Community Schools program to encourage parent and community involvement in the district.

Review: We continue to work with the community on different projects. We also have an active student council that promotes a positive environment in our school.

Goal 5- Provide continued guidance for appropriate management of district resources to create a positive learning environment that maximizes student learning opportunities.

Objectives

- Review policies and procedures for budget preparation and use feedback from audits and reviews to update financial operations.
- Develop short and long term plans addressing capital improvement projects throughout the entire district facilities.
- Address current technology plans (contracted implementation) for immediate and long-term goals to meet the needs for instruction and assessment.
- Increase cost savings with efficient and cooperative shared purchasing services.
- Update the safety plan in accordance with state law, district policies, and recommendations from safety and security reviews.

Review: We have recently had our Federal Financial Audit and a Civil Rights Audit through the OPI. Once the reports are received, we will address any financial and safety concerns respectively. Our capital improvement plan is ongoing, especially with the current building project. We have a few updates that will need to be addressed soon. We do belong to a few cooperative purchasing services but do not use them as much as we should. Technology plans are fluid currently.

Goal 6- Provide mental health support for all students and staff to maximize the well-being of the school population.

Objectives

- Provide a variety of mental health services including a school nurse, a county health nurse, teletherapy, and a psychiatric nurse practitioner.
- Develop long and short-term plans for individuals in need.
- Use various tools and committees to identify individuals in need of mental health assistance.

Review: We have done an excellent job utilizing the Stronger Connections grant in hiring a school nurse, contracting with a psychiatric nurse practitioner, and contracting for an athletic trainer. We will need to look for resources to continue these services as the Stronger Connections grant sunsets in June of 2025 and we don't know if it will be funded again.

AT-RISK PROGRAM STRATEGY

The intent of this program is to aid all students at JHS who are considered "At-Risk" The first key component involves identifying students. Academic and attendance concerns will be identified through the collaboration of administration, faculty, staff, and parents.

All students will be provided appropriate services that include identifying, monitoring, and guidance to assist students with academic performance, career opportunities, and social development. The end goal is improved academic progress, study skills, behavior, and interpersonal relationships. It is important for families to recognize the services that are provided and access them to support the needs of their students.

The program will be coordinated by the Administration team composed of faculty, staff, school counselor, administration, and co-op specialists when needed. The team will meet on a regular basis to identify students in need of support and development of an action plan.

IDENTIFY STUDENTS WITH NEEDS

Currently, JHS has between 10-20% of students that fall behind because of a variety of factors that include social, emotional, and psychological. Those factors lead to poor academic performance. JHS is committed to providing an appropriate educational plan for all students and provide support for the development of a positive self-image and success academically. Programing in place, as well as additional means will be used to provide an effective program for students. These include, but are not limited to:

- Additional assistance programs available during the school day (Intervention Specialist, Time to Learn, EdReady, iXL, Friday Opportunity.
- Increased individualized instruction.
- Coordination with elementary schools regarding past practices used (MAPS, Star)
- Continued summer school program for credit recovery (Montana Digital Academy, MDTA)
- Coordination with outside agencies
- Learning Center development for enrichment activities
- After school 21st Century program

IDENTIFICATION FACTORS

Student placement and program development will be determined based on greatest need and will be assisted by the Administration team. Referrals and placement will be determined based on needs associated with the following criteria:

- Lack of academic success
- Attendance issues
- Discipline referrals
- Poor daily work
- Apathy towards school
- Low academic achievement
- Change in family status and/or stressors
- Homeless
- Mental health issues
- Involvement with the courts
- Pregnancy

PLAN OBJECTIVES

The intent of the plan is to provide a program of study to meet the individualized needs of all students to promote academic success. Academic structure and integrity will be maintained and JHS will provide flexibility to create programs beneficial for individualized needs. These objectives include:

- Regular attendance
- Positive self-esteem
- Positive social skills
- Respect for staff
- Appropriate behavior skills
- Improved coping skills
- Effective communication skills
- Increased participation in school related activities
- Improved healthy lifestyle
- Increased awareness of career opportunities

SUPPORT PROGRAM

The use of testing policies currently available will be used to determine academic growth as well as guidelines for career opportunities. Identified students will be tracked through present course obligations and requirements and plans will be articulated to provide the most adequate educational plan.

Proper levels of communication will be formulated between the school, students, and families providing relevant information, support, and resources. JHS will maintain accurate data files of individualized programs and construct a comprehensive listing of services.

PROGRAM EVALUATION

The following components will be used by the administration for program review.

- Annual dropout rates (GEMS)
- Annual graduation rates (GEMS)
- Discipline referrals for identified students (IC)
- Annual attendance rates (IC)
- Annual survey information
- Academic achievement scores (MAPPS, ACT, SAT, ASVAB)
- Annual school activities participation rates
- Administration team observations
- Exit survey for graduates/dropouts.

ROLES AND RESPONSIBLITIES

- Evaluate students and programs.
- Monitor progress
- Coordinate student identification
- Provide in-service training.
- Meet needs of each student
- Serve as a resource for teachers.
- Encourage parental involvement (JHS Open Houses, igraduate, CSIP, individual contact)

- Provide assessment strategies.
- Collaborate with staff (professional development, late arrivals)
- Coordinate with other agencies (MBI, Jefferson County Health, YBGR, Interdisciplinary team)
- Mentor students (JHS mentorship program, Peer Mediation)
- Communication with staff
- Monitor students with attendance and behavior issues (Attendance coach, MBI platform)
- Provide study skills to students (Time to Learn)
- Maintain records.
- Select adequate referrals for guidance.

SIGNS OF SUICIDE (SOS)/ Peer to Peer Mental Health First Aide

The Signs of Suicide program has been implemented and instruction occurs during the 1st semester of each school year. Peer to Peer Mental Health First Aid training will occur for all new students. These student and staff driven initiatives have become a component of the curriculum and is used by all students. The program uses sequential components to provide adolescents skills in coping as well as identifying key signs associated with students harming themselves. The program also provides training regarding interacting skills that help and encourage adolescents to seek out and communicate with adults if a crisis occurs.

IGRADUATE

The 2024-2025 school year will include the 6th year of the new igraduate program, a community wide effort to encourage and provide support for all students to graduate. The JHS community will work together to help develop strategies for keeping students in school.

Reach Higher Montana will continue to help and guidance with FAFSA completions. They are also going to provide student assistance during the enrichment period. These two components are vital in helping both students and families overcome the hurdles of completing these requirements. Assistance will help alleviate stress and improve the efficiency of completion.

MENTAL HEALTH TEAM

We now have a mental health team made up of administrators, the school counselor, the school nurses, the athletic director, and the psychiatric nurse practitioner. The team works to find the best resources for identifying students "at-risk" and how to best meet their needs.

NOW THEREFORE, in consideration of the above recitals and of the mutual covenants hereinafter contained and for other good and valuable consideration, the parties hereto agree as follows:

Section 1 -- General Provisions:

- 1. The purpose of this Agreement is to create a multidistrict cooperative for the purpose of providing group unemployment self-insurance and loss control programs for Participating Members of The Program.
- 2. The Program is designated as the prime agency for the purpose of the financial administration of this Agreement.
- 3. All other Participating Members are designated as the cooperating agencies and in accordance with Section 20-9-704, MCA, shall transfer all financial obligations under this Agreement to The Program.
- 4. Any and all amounts transferred to The Program from each Participating Member shall come from the District's retirement fund or any legally available fund designated by the Board of Trustees of each Participating Member.
- 5. Transfers may not be made with funds restricted by federal law unless the transfer is in compliance with any restrictions or conditions imposed by federal law.
- 6. The term of this Agreement shall be from July 1, 2024 to June 30, 2027. This Agreement will be extended for additional periods of three (3) years unless the Participating Member provides The Program with notice of withdrawal by May 2nd of the last year of the three (3) year term pursuant to the notice requirements set forth in Section 7, Paragraph 1.
- 7. Any Participating Member may withdraw from participation in The Program upon sixty (60) days written notice to The Program as set forth hereinbelow at Section 5, Paragraph 1. In the event a Participating Member withdraws from participation in The Program, the provisions of Section 5 shall apply.

Section 2 -- Participating Member Conditions and Requirements of Participation In The Program:

- 1. Each Participating Member must be a Montana Public School or Cooperative. If the Participating Member is a Montana Public School, the Participating Member must be both a member of the Montana School Boards Association (MTSBA) and the Montana Association of School Business Officials (MASBO). If the Participating Member is a Cooperative, the Participating Member must be member of MTSBA and MASBO unless the Cooperative does not employ a Clerk, in which case the Cooperate is not required to be a member of MASBO, but is required to be a member of MTSBA in order to participate in The Program.
- 2. Each Participating Member agrees to fully cooperate with The Program. This includes but is not limited to the following:
 - a. Timely submission of quarterly unemployment payroll reports to The Program;
 - b. Timely payment of unemployment contributions; and
 - c. Timely responses to unemployment claims information requests.

- 3. Each Participating Member agrees to reimburse The Program for claim expenses incurred if the Participating Member fails to timely respond to claims information requests from The Program (or the Montana Unemployment Insurance Division).
- 4. Each Participating Member agrees that membership in the Program may be terminated with sixty (60) calendar days' notice to the Participating Member (via electronic and other means as set forth in Section 5, Paragraph 3) for any of the following reasons as recommended by The Program Director and determined by the Board of Directors:
 - a. Failure to be a member in good standing with both MTSBA and MASBO (where applicable) as noted hereinabove;
 - b. Failure to timely file quarterly unemployment payroll reports;
 - c. Failure to timely pay unemployment contributions due;
 - d. Failure to timely respond to unemployment claims information requests;
 - e. Ongoing higher than normal unemployment claims for an extended period as determined in the discretion of The Program;
 - f. Any event, caused by a Participating Member's actions, that expose The Program to paying claims in excess of the liability cap outlined in the Paragraph 5 below.
- 5. Each Participating Member agrees that The Program's liability for claims is capped at five (5) times each Participating Member's annual contribution, subject to board approved minimums & maximums. Each Participating Member will be responsible for the Participating Member's claims that exceed its liability cap. This is necessary to protect The Program and prevent the failure of The Program in case of a catastrophic event(s) where claims of a single Participating Member disproportionally exceed the cumulative contributions of that Participating Member thereby jeopardizing the investment of all other Participating Members.
- 6. Each Participating Member agrees to take such action as may be necessary to include unemployment contribution payments payable hereunder in its annual budget. This agreement on the part of the Participating Member shall be deemed to be and shall be construed to be duties imposed by law and it shall be the duty of each and every public official of the Participating Member to take such action and do such things as are required by law in the performance of the official duties required hereunder to enable each Participating Member to carry out and perform the duties and obligations set forth in this Agreement.
- 7. Each Participating Member agrees that The Program and any of its agents, employees or attorneys shall be permitted at all reasonable times to examine the Participating Members' payroll records, and Participating Members' books, contracts, documents and records of any and every kind which show or tend to show or verify the contribution which is payable under the terms hereof. This right to inspect or examine shall continue after termination of membership with respect to all claims or matters arising during or relating to membership status in The Program.
- 8. Each Participating Member agrees to exercise and implement risk management practices to minimize unemployment claims.

9. Each Participating Member agrees to give immediate notification to The Program of any unemployment claim. Any cost or penalty associated with any paid claim relating to unemployment benefits resulting from a Participating Member's failure to give timely notice or response to The Program will be assessed against the Participating Member.

Section 3 – Obligations and Authority of The Program:

- 1. All claims for unemployment are processed and investigated by the Unemployment Insurance Division of the Montana Department of Labor and Industry ("the Department of Labor"). As noted hereinabove in Section 2, each Participating Member agrees to cooperate with the Department of Labor and with The Program in providing any and all relevant information necessary to process claims and make determinations regarding the validity of a claim for unemployment. The Program shall reimburse any claim made by a former or current employee of any Participating Member, arising out of such claimant's employment, if approved by the Montana Department of Labor and Industry, the Board of Labor Appeals or a court of competent jurisdiction.
- 2. Any approved claim entered against a Participating Member shall be a liability of The Program and a joint and several liability of each Participating Member as provided in this Agreement.
- 3. As noted hereinabove at Section 2, Paragraph 5, each Participating Member agrees that The Program's liability for claims is capped at five (5) times each Participating Member's annual contribution, subject to board approved minimums and maximums. Each Participating Member will be responsible for the Participating Member's claims that exceed that Participating Member's cap.
- 4. If The Program assets are insufficient to reimburse for the claim, The Program may assess each Participating Member to the extent necessary to pay for such claim(s), and the assessment charged each Participating Member shall be determined on a proportionate basis in accordance with each Participating Member's net contribution to The Program. An assessment shall be a contractual obligation of the Participating Member provided, however, that nothing contained herein shall be construed as a limitation upon the joint and several liability of each Participating Member.
- 5. The liability of The Program is specifically limited to: (1) such obligations as are imposed by the Unemployment Insurance Law of the State of Montana; and (2) the limitations set forth in Section 2, Paragraph 5 as set forth hereinabove.
- 6. The Program may purchase excess insurance if the Board of Directors determines it to be in the best interests of the Program and the Participating Members.
- 7. The Program may raise funds by the issuance of bonded indebtedness in an amount necessary to assure the continued solvency of The Program if approved by the Board of Directors. The proceeds of which bonded indebtedness may be used in lieu of or in addition to excess insurance and surety bonds to the fullest extent permitted by applicable Montana Law.

- 8. The Board of Directors may, in its discretion, approve agreements with various third-party service providers to provide services necessary for the efficient operation of The Program.
- 9. The Program will realize investment income in accordance with applicable investment laws which shall be treated as revenue to the Program.
- 10. The Program has the authority to establish financial reserves to ensure the ongoing viability of The Program and to account for future unexpected conditions that may impact the viability of The Program.
- 11. Contributions, investment income, special assessments, profits or other income paid to or derived from The Program shall not be commingled with the funds of any other program.

Section 4 – Contribution Rates and Payments:

- 1. Contribution rates shall be adopted by The Program's Board of Directors on a fiscal year basis to be effective July 1 of each year, provided, however, that the Board of Directors may make such mid-term adjustments to rates or special assessments as may be appropriate and in the best interests of The Program and the Participating Members to accomplish the goals of the Program. Contribution rates shall be applied to each Participating Member's payroll.

 - b. Payment of the administrative fund tax (AFT)
 - c. General administration of The Program
 - d. Claims assistance and legal advocacy

- 3. Each Participating Member agrees to pay the contributions at the rate and on the schedule approved by The Program's Board of Directors. As set forth in Section 2, Paragraph 4, failure to timely pay contributions is grounds for termination of membership in The Program.
- 4. Subject to the following conditions set forth hereinbelow, the obligation of any Participating Member to pay contributions under this Agreement will terminate upon the earliest of the following events:
 - a. withdrawal of such Participating Member from The Program pursuant to Section 5, Paragraph 1; or
 - b. termination of such Participating Member from The Program pursuant to Section 5, Paragraph 3.

Provided however, that no such withdrawal or termination shall extinguish (i) the obligations of such Participating Member to pay contributions with respect to coverage periods of such Participating Member prior to such withdrawal or termination, (ii) the obligations of such Participating Member to pay Special Assessments as provided in Section 4, Paragraph 1 with respect to coverage periods of each Participating Member, whether such Special Assessments are imposed either prior or subsequent to such withdrawal or termination, or (iii) the right to receive the benefits of such coverage with respect to coverage periods of such Participating Member prior to such withdrawal or termination.

5. There shall be no abatement of contribution payments. Notwithstanding the authority of The Program to terminate a Participating Member for failure to timely file reports and/or timely pay contributions, in the event a Participating Member fails to make any of the contribution payments required on the date due as established by the Board of Directors, the payment in default shall remain the obligation of the Participating Member until paid in full. For any late contribution payments or late report filing, the member agrees to pay The Program any applicable penalties and/or interest that The Program assesses.

Section 5 -- Rights and Obligations Upon Withdrawal or Termination of Membership In The Program:

- 1. Any Participating Member may withdraw from The Program by giving at least sixty (60) calendar days' notice in writing to The Program pursuant to the Notice requirements set forth in Section 7, Paragraph 1 of its desire to withdraw.
- 2. In no event shall withdrawal from or termination of a Participating Member's participation in The Program release a Participating Member from its obligation to pay any and all amounts due The Program resulting from default under the terms of this Agreement, nor shall such withdrawal or termination release a Participating Member from its obligation to pay contributions or special assessments as provided herein. Notice of withdraw shall be revocable only at the sole discretion of The Program.
- 3. When, upon recommendation of the Program Director and action of The Program's Board of Directors, a Participating Member has been deemed to have engaged in any conduct and/or inaction that warrants termination of a Participating Member's membership in The Program as set forth in Section 2, Paragraph 4 above, the Participating Member will be given at least sixty (60) calendar days' notice (sent via email to the Business Manager and Board Chair and also certified mail return receipt requested addressed to the District's or Cooperatives Business Manager) that the Participating Member's membership in The Program is being terminated as of a date certain. Said notification shall include the basis for such termination. The action of The Program's Board of Directors shall be final and binding.
- 4. In no event shall termination from The Program release a Participating Member from its obligation to pay contributions with respect to coverage periods.
- 5. Upon notice of withdrawal from a Participating Member or termination of a Participating Member from The Program, The Program and the Participating Member shall promptly notify the Unemployment Insurance Division of the Montana Department of Labor and Industry.

Section 6 -- Joint and Several Liability:

- 1. Each Participating Member agrees to assume and guarantees to pay, or otherwise discharge promptly, any and all the liabilities and obligations which The Program may incur pursuant to the terms of this Agreement and the Unemployment Insurance Laws of the State of Montana.
- 2. This Agreement represents a direct financial guarantee to the present and former employees of all Participating Members of The Program for the full amount of any and all liabilities or obligations on amounts not limited to each Participating Member's "pro rata" share. Each Participating Member understands and agrees that it shall be jointly and severally liable with the other Participating Members for the full amount of any and all known and unknown reimbursable unemployment compensation claims of the Program arising during the membership of the Participating Member in The Program.
- 3. In the event The Program shall fail to reimburse for claims when due, the Participating Member will pay the same, and the payment may be enforced against the Participating Member to the same extent as if said payment was its sole liability. - 4. In the event any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Superintendent Erik Wilkerson,

I am certain that you are well aware of how much I enjoy being on the team at Jefferson High School, but it is that time of year when student teachers are completing their field experience and soon will be searching for a teaching position for the coming school year.

JHS has several teachers that have been here for many years and are major contributors to the quality of education at Jefferson High. I believe that if a search for a possible long-term wood shop teacher might begin presently, then JHS would have a much greater opportunity to find that person, especially considering how difficult it is to find teachers with Industrial Arts / Tech Ed degrees considering that MSU only graduates about 5 to 7 of these teachers per year and many of those teachers are looking for schools offering FFA.

Consequently, I will announce my resignation from my current teaching position, (effective at the end of the 2024-2025 school year so that JHS can get out ahead of other schools in pursuit of a Tech Ed teacher.

Please accept my resignation to be effective at the end of the 2024-2025 school year and thank you for the awesome experience and privilege of being a JHS faculty member.

Eric Gustafson
