August 28, 2023

Hello

My name is Sandy Hallett and my counterpart is Amanda Gase. We are Family and Community Engagement Liaisons with the North Central Ohio Education Service Center. We are hosting a transition fair at NCOESC in October and we would like to invite you to participate at this event. The mission of hosting this transition fair is to raise awareness of local resources and organizations that are available to students who are approaching the age of transition. We have found in our work; many students and families are not prepared for their child's transition at age 14 and they may not have the full spectrum of options for those students.

With your help we hope to get our families better connected with resources and better equips them with options and services in our community.

The event will take place at our Tiffin campus located at 928 W. Market Street, Tiffin, OH 44883 on October 19, 2023 from 2pm-7pm. A table will be provided to you for displaying materials and information.

We are looking forward to hosting this transition fair in the fall and hope you will consider joining us. Please reach out to Sandy Hallett by email at shallett@ncoesc.org or at (419) 447-2927 ext. 145 if you have any questions or to confirm your interest in participating in this event.

Respectfully,

Sandy Hallett and Amanda Gase
