Dear Parent/Guardian:

South Central Ohio Job and Family Services is pleased to partner with the Tri-County Career Center to assist eligible students with the cost of laboratory tool kits, uniforms and other educational items for students enrolled in the Tri-County Career Center and residing in **HOCKING COUNTY**.

To qualify for the funds, your household cannot exceed 200% of the Federal Poverty Guidelines. These guidelines are included in this packet for your reference. Please complete the attached application including all household members and their income listed with proof of the last 30 days income, sign the application, and return it to Tri-County Career Center with your student. Please be sure to provide an active phone number in the event the eligibility worker needs to contact you for information.

<u>Please have your student turn in the application to the Principal's office at Tri-County Career Center.</u> Do not turn in the application to your instructor or South Central Ohio Job and Family Services.

The deadline for submitting the application is Friday August 30, 2019.

South Central Ohio Job and Family Services will screen the applications for eligibility. Anyone attempting to mislead or defraud the agency will be disqualified.

<u>Please do not contact South Central Ohio Job and Family Services or Tri-County Career Center regarding your eligibility.</u> South Central Ohio Job and Family Services will notify you by mail regarding your eligibility.

We are excited about the opportunity to assist students with these items which will lead to successful technical training and ultimately successful careers. The funds cannot be used for school clothes, car repair, paper, notebooks or other normal school supplies.
