PAYMENT AND REFUND POLICY

Payment is accepted in the form of cash, check (payable to Tri-County Career Center), MasterCard or Visa. Registration and payment must be made together, either in person, by mail, or by phone if paying by credit card.

Students utilizing the "third party" sponsors (agency or business) must provide verification/billing authorization with registration materials.

Fees paid are fully refundable through the third day of class. Once books are issued to the student, the fees paid for books are not refundable. One hundred percent (100%) of the tuition and fees are due at the onset of class and there will be no refunds after the third full day of class. In the event that class is delayed or canceled, all fees paid will be refunded in full by the Adult Center. Refunds due to students will be processed no later than 45 days from the date of determination.

All student charges including tuition, books/supplies, and testing fees are the responsibility of each student. Sources of funding provided through third party sponsors will be applied to student charges. In the event that sponsor supported funds are reduced or denied, the student must pay the "balance due" amount.
