Dear Valued Member,

At CASEBP we are continually looking for ways to better serve our members. Over the years, the CASEBP Trustees have received feedback and suggestions from our policy holders. An area of concern that has been brought to our attention is hearing loss. Research tells us that hearing loss negatively impacts nearly every aspect of a person's life, including physical, emotional, and mental health.

Your health and wellbeing are top priorities of the CASEBP School Health Consortium. To that end, we are happy to announce that, effective July 1, 2021, CASEBP is rolling out a Hearing Discount Program through NationsHearing®. This program has been specifically designed for CASEBP retirees enrolled in The Hartford Medi-gap program.

If you are a member with a hearing loss concern, we encourage you to take advantage of this opportunity. Again, this is a Discount Program designed to provide reduced rate services/products for only those retirees enrolled in The Hartford Medi-gap program.

Please see the enclosed flyers for more details. We welcome you to contact the CASEBP office with any questions about this program.

Sincerely,

Jessica Zinger, Health Benefits and Claims Coordinator

Melissa Kiel, Health Benefits and Claims Specialist

Wendy Tierney, Health Benefits and Claims Assistant
