PUBLIC PARTICIPATION AT BOARD MEETINGS

All meetings of the Board are open to the public.

Each person addressing the Board will give his name and address. If several people wish to speak, each person will be allotted three minutes until the total time of 30 minutes is used. During that period, no person may speak twice until all who desire to speak have had the opportunity to do so. Persons desiring more time should follow the procedure of the Board to be placed on the regular agenda. The period of public participation may be extended by a vote of the majority of the Board.

Complaints against staff members must be made in executive session.

This meeting is being recorded so that an accurate representation of the entire meeting can be kept on file.
