

9/15/2023

Dear Potential Snow Removal Contractors,

This addendum is issued to the previously published Request for Quotation (RFQ) for snow removal services by Logan Elm Local School District located at 9579 Tarlton Rd, with a primary requirement for snow removal services on a per-occurrence basis.

Please take note of the following amendment to the original RFQ:

Amendment:

Effective immediately, the use of sand for snow removal services is strictly excluded. Snow removal contractors must rely on alternative methods such as salt or other approved materials for preventing ice buildup.

All other terms and requirements outlined in the original RFQ remain unchanged.

Please ensure that your quotation adheres to this amendment. If you have any questions or need clarification regarding this addendum, please contact Jon Brown at jon.brown@loganelm.org or (740) 438-2528.

Thank you for your attention to this matter, and we appreciate your continued interest in providing snow removal services to Logan Elm Local School District.

Sincerely,

Jon Brown
Director Of Operations
Logan Elm Local School District
