## PTA Approves Phase #1 (Pavilion Accessories)

At the April 2022 PTA meeting, membership approved phase #1 of the pavilion project. As you may recall, profits from the fall Fun Run are being set aside for this larger project. This stage of the preparation will include the purchasing of several high-quality student picnic tables and associated outdoor seating and furnishings. These items can be used prior to the construction of the actual pavilion. Due to the district's commitment to consider a bond issue on the November ballot for new school construction, NF will not be building a brand-new pavilion until more information and decision-making can be made. Thanks to the NF PTA for being fiscally responsible and holding off the construction of a new pavilion at this time. Funds have been set aside for when the project is a 'go.'

## Smart Phone App Discontinued

As of June 1, 2022, the NF Smart Phone app. will be discontinued due to rising costs and lack of consistent parent use. From this point forward, only limited information will be posted on the Squire Phone App.
