PAX LEADERS FOR THE MONTH OF APRIL

IN-SCHOOL SUMMER CLASSES

Last week, letters were distributed to those students who should register for our district's in-person summer school. Logistics were highlighted, as well as the general recommendations as to why your child would benefit from this experience. The letter, originating from the Office of Curriculum and Instruction, had a specific link for families to register their child. If your child received a summer school letter, please register ASAP. Transportation will be provided during this four-week program and we need to begin developing transportation routes so everything is in place for the June/July program.

PARENT VOLUNTEERS NEEDED

As we begin the month of May, there are a few opportunities to help support the end-of-the year activities, IN-PERSON, at school. If you are interested in serving, please complete the blue link below by Friday, May 7th. Our first round of volunteers will be taken from a pool of interested fourth grade parents, since this is their final year with us. Afterwards, we will randomly select volunteers, if necessary, using a lottery system. Those volunteers who have been selected will be notified by May 17th or sooner.

SQUIRE SUPPORTER FOR APRIL

The NF Elementary School staff would like to congratulate the **Leavitt** family as the April Squire Support Award recipients. Carson, Landon, and Owen represent the family at our school. Earlier this year, the family was gracious enough to provide an additional picnic table to our school. The thought was that outdoor seating during lunch, (in nice weather obviously), would be a great response to the numerous pandemic changes. Thanks for thinking of our students and how to make their lunch time more enjoyable.
