A Message from the Principal

Dear Parents, Guardians, and Friends of NF:

Welcome to October! If we can get a repeat of September's weather for another (30) days, it will simply be perfect. The warm days and cool nights are a favorite of so many people. We'll keep our fingers crossed for a snow-free October.

Routines have been established, new PAX and Class Huddle initiatives have been introduced and practiced, and friendships have been formed. One routine we could use your support with relates to attendance and tardiness. Please be mindful that student attendance is mandated by Ohio law. Every minute counts! School officially starts at 9:00 a.m. and runs through 3:30 p.m. Make every effort to schedule doctor/dentist appointments outside of school time or on days off. Great student work ethic begins with routines in the primary years, and we want to support your child's learning every minute of our time with them. Also, dismissal plans should be consistent. Calling after 3 p.m. is a bad practice, unless its an emergency. Your cooperation is appreciated.

If you read our local newspaper, the **News Leader**; you will find a great article summarizing a new program we initiated last month, KIDS LOVE MUSICALS. Students in grades 1-3 had the chance to work with local, professional actors in skill development in the areas of cooperation, problem-solving, and communication...all with a theatrical twist. Here's a link to more information: https://www.mytownneo.com/the-news-leader

The PTA rolls out a very active month ahead. Our first assembly, Omega Man, will occur this Wednesday. Additionally, a brand new fundraiser is in the works! Our students and staff will participate in a FUN RUN, whereby parents, grandparents, neighbors, and friends can pledge for your child. Over time, it is our hope that this fundraiser will make enough money to support all of our PTA programming over the academic year. More information forthcoming. The Scholastic Book Fair wraps up October.

Some formalized assessments take place this month, too. The InView and Terra Nova assessments will take place for our fourth grade students during the week of October 7th. Nordonia uses these assessments primarily for the identification of gifted eligibility. Other individual information is also available. Score reports will be available in late fall. Additionally, the Ohio-mandated Third Grade ELA assessment will be administered mid-month. This is a high-stakes test that determines if a student is proficient in reading and language arts. More information will be coming from our 3rd grade team.

Finally, NF will celebrate a *Fall Festival* on the afternoon of Thursday, October 31st. A traditional costume parade will occur, too. Students may wear appropriate costumes to school that don't acknowledge violence, evil, weaponry, or other negative themes.

Respectfully,

MKaminicki

Did you know that our school has a new, innovative communication platform? Released in mid-August,

the NF Smart Phone App is off to a terrific start. Over 500 individuals have already downloaded this free

service. Check out page 13 for specific instructions/info. Coming soon...NF's own YouTube Channel, showcasing teachers and students learning in the classroom.

*NF enjoys a **96.8% Attendance Rate** with all students, per the ODE Report Card.

*NF will host the annual **Flu Shot Clinic** program on October 16th. Call the school office for more information and forms.

*You must contact the office to **opt-out** of our student photo taking policy.

Students may arrive between 8:40 a.m. and 8:55 a.m.

While driving in the parking lot, please remember to drive slowly and carefully. Precious children are walking and exiting the busses!! Also, carpool lines are in

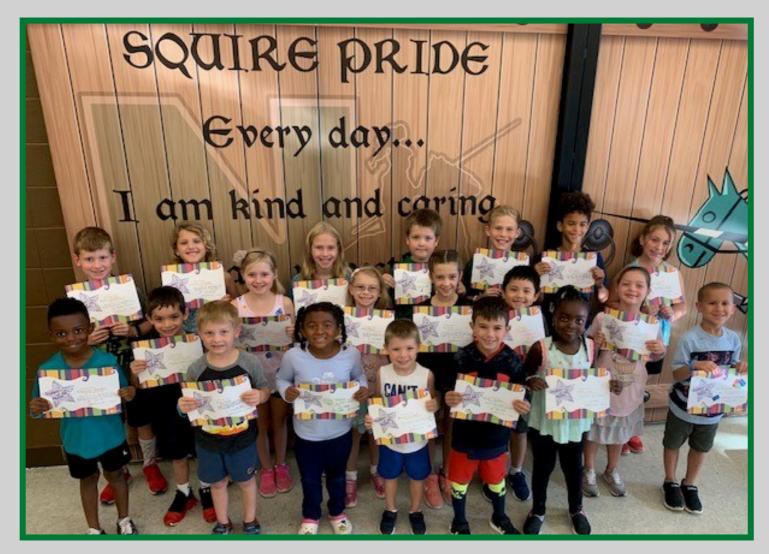

constant motion. Proactive driving will eliminate any safety concerns. Thanks for cooperating.

Just an FYI! This year, lunch is \$3.00. Purchasing a separate milk costs \$.50. Lunch menus are available on the Nordonia web site under the Food Services Department tab.

September PAX Leaders of the Month

We are coming to your school to help you fight the flu!

When: OC+ 16 Where: Room

How much: Flu vaccines are provided at NO COST to students, parents, or schools. We bill both Medicaid and private insurance; however, we never bill students or parents for any out-of-pocket expenses or deductibles. Qualifying uninsured students can be given the vaccine at no charge.

Why: The best way to minimize or avoid the spread of flu is to get an annual flu vaccination. Each year the vaccine protects against new strains, therefore, the vaccine should be administered annually.

REQUIRED: If you want to receive a vaccination, PLEASE BRING A COMPLETED CONSENT FORM TO YOUR SCHOOL OCT //, 2019
