An 'Attitude of Gratitude' is Common at NF

As the district continues to focus on having an "Attitude of Gratitude" for this month's 7 Mindsets theme, here are some examples of the community outreach and service projects that our school community engages in throughout the year. It is wonderful to observe and participate in activities helping our greater community thrive. NF is grateful for the opportunity to serve.

- Pop tab collections for the Ronald McDonald House
- PJ Day for the Leukemia and Lymphoma Society
- PAWS for a CAUSE, (*supporting the local humane society*)
- Completed student art work donated to Nordonia businesses and agencies
- Knights Caring for Knights food distribution
- Snack collection for students in need
- 7 Mindsets curriculum
- Veterans Day assembly
- Nordonia Scouting programs
- PAX Programming; Positive Behavior Interventions and Support
- 3rd Grade Community Service Projects
- Tuesday Tootles
- Clinic donations of gently-used clothes
- Unity Week

The activities listed above are just a sample of the many acts of kindness and service that are part of the NF community. Of course, individual classrooms take part in their own special way, too!

Leukemia and Lymphoma Mini Fundraiser Hits Over \$400. Thanks for Participating.

Family First Night

Each February, the Nordon Hills City School District hosts a Family First Night. The purpose of this evening is for families to gather together and intentionally plan to engage with their children in games, activities, and other fun festivities. **This year, Family First Night is scheduled for Monday, February 26th.** Teachers have made a commitment not to schedule due dates for major projects on the following morning, including tests.

If you snap a photo and tag it #Nffamilyfirstnight, consider posting it on X, (formally Twitter). All family participants that complete this 'ask,' will be entered into a drawing for some Family First Night gifts and prizes. Photos should be posted no later than noon on the next Tuesday.
