SQUIRE SUPPORTER OF THE MONTH

The April *Squire Supporter of the Month* is Mrs. Holly Piskula, mother of Joe, (kindergarten), and Jack, (grade 2). During the winter months, Mrs. Piskula was very thoughtful and stocked our classroom with soft, absorbent tissues. When we ran out, she quickly sent in more for our little noses! Additionally, as an educator herself, Holly helps advocate with other families around special education procedures and information. We are so thankful for her kindness! Treats are on the way for the entire Piskula family.

SUMMARY OF CHARACTER TRAITS

Throughout this academic year, in addition to our PAX and Class Huddle activities, NF has highlighted a specific character trait each month. On most Fridays, students are awarded a wristband for a specific, positive action related to said character trait. NF staff make the recommendations. A brief recognition in the cafeteria, along with a 'Spencil' prize, is awarded. For the month of May, NF will culminate with the 'Citizenship' trait. This student recognition includes all the combined traits that have been celebrated this year: respect, responsibility, fairness, caring, trustworthiness, patience, and gratitude.

SMART PHONE APP DISCONTINUED
