

NORTHFIELD ELEMENTARY SCHOOL

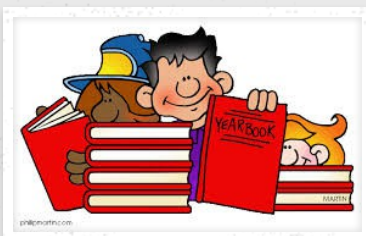

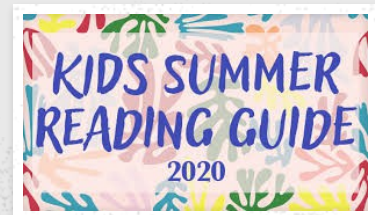

NF FAMILY INFORMATION UPDATE #9

FINAL EDITION FOR THE 2019-2020 YEAR

SUMMER READING ANNOUNCED

After spending the last two and a half months of remote learning, the last thing you probably want to hear about is yet another assignment. Rest assured, the **Summer Reading** task is a routine project for all Nordonias students, so nothing new or unexpected. In your child's supply bag that was picked up last week, information was provided about the Summer Reading expectations. If you misplaced the directions, you can find the same information on our updated web site. The link is here:

<https://www.nordoniaschools.org/SummerReading.aspx>

STUDENT YEARBOOKS

Life Touch, our partner with school pictures and school yearbooks, is on a delay for providing ordered materials. This is obviously due to the Covid-19 shut down and delays in shipping. A specific date has not been given to our school yet.

As such, we don't have an announced plan to share with families. If the yearbooks arrive soon, we will make an announcement over our phone system for pick-up. If not, we'll hold the yearbooks until the start of school in the fall or come up with a different strategy. We will also make arrangements for our fourth graders who are moving on to Lee Eaton. Thanks for your patience and cooperation.

NHS graduate Emily Morrison selects Mr. Bender as the influential educator to deliver her 2020 diploma.

NHS graduate David Sabol selects Ms. Bass as the influential educator to deliver his 2020 diploma.

PRE-ORDER SCHOOL SUPPLIES TODAY

Even though schools across Ohio are unsure of what school will "look and feel" like in the fall, families can still take advantage of the **1st Day School Supplies** program. Hosted by our very own PTA, this convenient method of ordering school supplies saves you time and money. This initiative is offered to you as a courtesy from our PTA. This is **not** a fundraiser. The ordering deadline is June 30, 2020. If interested, go to the following web site:

www.1stDaySchoolSupplies.com

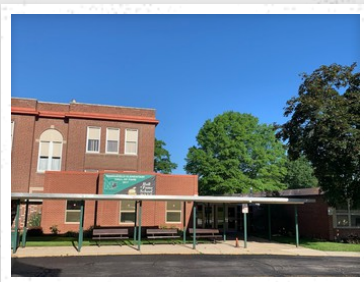

Report Cards: Report cards will be mailed home this year. You should receive your child's grades and teacher comments in report card format by mid-June.

Camp Invention: Although many summer camps and extra activities seem to be suspended for the summer of 2020, there is one program that may spark your interest, hosted by the National Inventors Hall of Fame...Camp Invention. Held locally at Lee Eaton School, please see the two links for additional information. The program is for students in K through grade six.

Congratulations, Ms. Amy Artl: Ms. Amy Artl, grade four, was recognized at the annual Superintendent's Senior Award Celebration on Tuesday, May 19. Amy was selected by a top 25 member of the graduating class for being a teaching inspiration. Great work, Amy.

Thanks for Food Donations: On behalf of the high school group, Knights Caring for Knights, thanks for your food donations last week. With all (6) school buildings contributing, we were able to fully stock the district's food pantry so that Nordonia families can have consistent offerings over the summer. What a terrific community outpouring of support.
