NF FAMILY INFORMATION UPDATE #6

SATURDAY, APRIL 25, 2020

STUDENT AND FAMILY SUPPLY PICK-UP SCHEDULED

With the closure of schools throughout Ohio, the NF staff is beginning to make plans about how students will **briefly** return to the building to pick-up all school supplies and other personal items. Parents and caregivers should be aware that the Week of May 25th will be the overall time frame, excluding Memorial Day. The building will be open for a significant amount of time during the day and evening for said supply pick-up. In order to maintain the health and safety of all, families will sign-up to visit the school building electronically. The schedule sign-up information will be forwarded to each family in early May. **Families will be required to sign-up, in advance, and only those families will be permitted into the building at specific, scheduled times.** Student bags will be prepared by our staff, in advance, so that families will either enter the gym or the cafeteria based on grade level assignment. All health and safety protocols will be enforced. Nobody will be permitted to roam the building. Students and families will receive a checklist of tasks to reference. Medications will be available, too. Those younger students who secured a Chromebook, will continue to 'borrow' the Chromebook until the start of school in the fall. Again, details are forthcoming regarding the sign-up process.

STAFF CHANGES

On behalf of the NF staff, I am thrilled to announce an addition to our teaching staff for next year. Pending BOE approval on Monday evening, Mr. Kyle Cohen will be joining our awesome NF staff as a third grade teacher. Mr. Cohen has recently taught in Parma, and has extensive experiences in advocating for student leadership opportunities, highlighting the dramatic arts, and working on various school improvement committees. Mr. Cohen is working on his advanced degree at John Carroll University, and graduated from Ohio State University with his undergraduate degree. Welcome to our NF family, Mr. Cohen.

On a related note, Ms. Katie Patterson will be returning to grade one. Katie is beyond excited to work with the younger students once again.

SUMMER SOLUTIONS ENRICHMENT OPTIONS

Now more than ever, families should consider extending learning during the summer months ahead. Planning for summer study can begin now. Last year, NF staff promoted the

Summer Solutions series. We are fortunate enough that the Summer Solutions company is operated by a retired Nordonia teacher. As such, they are offering a 20% discount for 3 or more ordered books with the code OHIO2020. Share this information with others, and take a look at the materials available via the link below.

Tessa Puma: NF's very own Tessa Puma, grade three, will make her television debut on Sunday, April 26 on the NBC show, Little Big Shots at 7:00 p.m.

School Building Accessibility: Northfield Elementary School is officially closed to families and students until further notice. If there is an emergency need for something in the building, please contact me via email only at Marc.Kaminicki@nordoniaschools.org. Please do not leave any phone messages on the office machine as it will not be regularly checked.
