## Prospect Heights School District 23 October 15, 2018

### Lead Learners!

October is Principal Appreciation Month in Illinois and we are fortunate to have amazing leaders in our District. Each with his or her own unique style and approach, our Principals and Directors demonstrate, each day, their commitment to the students, staff, and families of our community.

Over the past few years, our schools have embraced a "Growth Mindset" that highlights the importance of continuous learning and improvement. In that spirit, our administrators are Lead Learners, each setting goals for personal and professional growth, developing improvement goals for their school or department, and working collaboratively to support the mission and vision of the District.

We thank our principals and directors for their dedication and inspiration! We appreciate your gift of time and talent and appreciate all you do to make each day focused on student growth!

We are #Proud2BD23!

The 2019 Consolidated General Election is scheduled for Tuesday, April 2, 2019. As part of that election, registered voters in District 23 will be electing four individuals to serve a four-year term and one individual to serve a two-year term. Candidates interested

in running for one of these school board positions are advised to review the District 23 Board policy found at

[https://boardpolicyonline.com/?b=prospect\\_heights\\_23](https://boardpolicyonline.com/?b=prospect_heights_23)

and the Illinois Candidate's guide issued by the Illinois State Board of Elections and linked here:

The District cannot provide direct support of candidates, so we encourage any questions related to the election process to be researched in the above listed documents, on the websites identified or by

## Ca\$h for the Cure

Our Fall service learning fundraiser, *D23 Cash for the Cure*, is sponsored by Betsy Ross School and the Ross Bulldog Ambassadors, will benefit the Leukemia

and Lymphoma Society (LLS). We will partner with LLS and their mission to cure leukemia, lymphoma, Hodgkins disease and myeloma, and improve the quality of life of patients and their families.

Our district has the goal of raising at least \$5,000 for our cause. It's a lofty goal but we have no doubt we will get there with everyone's support. In order to increase motivation along the way, we have planned some exciting events for our students along the way. Let's all join together for this fantastic cause!

This is the last week of this project and we are only \$700 short of reaching our goal. For further incentive, if we reach our goal, the Principals have agreed to work on the ROOF of their building on October 25th.
