Option 1: Alice Monologue

Alice:

Should I or shouldn't I? You know what they say, 'If you don't explore, you'll never discover!' But my sister Mathlida always says, 'Look before you leap.' Well, I'm looking and it looks pretty deep and dark and I can't see the bottom, and maybe it goes all the way to the center of the earth and I'll be burnt to a crisp in the molten core like the bad marshmallow we've heard so much about!

(pause)

Or not.

(pause)

Okay, I looked. Now it's time to leap!

Option 2: Caterpillar Lines

Caterpillar:

Oh don't let those babbling blooms get you down, kid

Alice:

But if I could look like them, I'd fit in, and life would be so easy!

Caterpillar:

Don't you know beauty is just a surface thing? Who you really are-what you're worth-resides much, much deeper. Those fleeting flowers are just gonna wind up sitting around in somebody's imitation cut glass vase for three days 'til they wither and die and then it's 'thanks a lot' and out with the garbage! Am I right?

Woodland characters:

Right!

Caterpillar:

Thank you! But enough about them. Whoooooo, pray tell, are youuuu??

Crew and Set Design Application

Only 5th Graders are able to apply for crew and set design! If you are interested in being on set design or working on crew for the Sullivan Musical, fill out an application by scanning the QR code below! **You must fill out a permission slip with a parent.** Before filling out the permission slip, make sure you understand all of the requirements before applying, and make sure you have looked over the schedule and can attend all of the practices! If you are trying out for the show, you may also apply to be on set design or crew. We will assume that your first choice is the Musical, and crew and set design are your second choices.
